3. Question of using headquarters Psychiatric Staff in screening of pilot applicants was discussed and Mr. Parangosky was not aware that they were not being utilized and indicated that he was completely of the opinion that they should be brought into the program. [redacted] was quoted by [redacted] that he felt that they should be a component part of interrogation set-up, and Dr. Tietjen and Mr. Parangosky both felt that this should be accomplished.

25X1A

It was of general opinion that if the Psychiatric Staff were to be introduced on problem cases that it would be highly desirable that they have a base line from which to operate.

4. [redacted] area has been that of pilot selection and choice of equipment, advise to manufacturers, etc., and Mr. Parangosky stated his view that [redacted] should become as familiar as possible with all these fields and not limit himself only to Medical Staff problems.

25X1A

Mr. Parangosky urged that [redacted] and [redacted] work together and [redacted] would bring any problems of Medical Staff Representative [redacted]

25X1A

5. It was understood between Dr. Tietjen and Mr. Parangosky that [redacted] would officially represent the Office of Medical Services in OSA activities and would report directly to Mr. Parangosky.

On being queried by Dr. Tietjen, Mr. Parangosky stated that he did not wish written reports but would welcome an office visit at any time, especially if there were any problems arising and that he would like to have a verbal report after any trips or informed at termination of any unusual medical programs.

25X1A

6. Mr. Parangosky reaffirmed [redacted] previous statement that he was very happy to have increased medical support in the program in order to relieve [redacted] of some of the load he has been carrying.

25X1A

7. The meeting adjourned on a very pleasant and optimistic note.
